Kuba Szreder – graduate of sociology at Jagiellonian University (Krakow). He works as an 'independent' curator, his interdisciplinary projects combine artistic practices with critical examination of society. In 2009 he initiated Free / Slow University of Warsaw, together with Bęc Zmiana Foundation. In his theoretical research he critically reflects upon the contemporary apparatus of cultural production and its socio-economic context. In November 2014 he submitted his practice-based PhD at Loughborough University School of the Arts, in which he scrutinizes the economic and governmental aspects of project-making and their impact on an 'independent' curatorial practice.
