

Armin Beverungen

Submitted by [Armin Beverungen](#) on Sat, 2014-11-15 15:08

Armin Beverungen currently is the Junior Director of the Digital Cultures Research Lab (DCRL) at Leuphana University. Before joining the DCRL he worked as a postdoctoral researcher at the Hybrid Publishing Lab. Armin conducts research at the interstices of media and organisation studies. He is a member of the editorial collective of the open access journal ephemera: theory & politics in organization and with colleagues at Leuphana recently set up the new open access journal spheres: journal for digital cultures, which launched this week.
